

QUAD BIKE SAFETY AND INJURY PREVENTION SYMPOSIUM

8.30AM – 3.30PM, FRIDAY 27 NOVEMBER 2015
THE UNIVERSITY OF SYDNEY

The organising committee of the 12th Australasian Injury Prevention and Safety Promotion Conference are delighted to announce a dedicated symposium program on Quad Bike Safety and Injury Prevention. The symposium will be held on Friday 27 November 2015 at the University of Sydney.

The event will feature international keynote speakers **Steven Baddour** (former Massachusetts State Senator and Assistant Attorney General, Commonwealth of Massachusetts) and **Dr Peter Masiakos** (Director Paediatric Trauma Services, Trauma Injury Prevention and Outcomes Program, Massachusetts General Hospital). The symposium will also include a special address by **Emily Cason**, whose 11-year old son Sam

died whilst riding a Quad Bike at a friend's farm. An additional 10 oral presentations by leading Australian and New Zealand injury researchers will follow the keynote address. These are outlined in the program below.

Registrations are now open for the three-day conference, although those wishing to attend the symposium only, can purchase a one-day registration. Day only registration for the Quad Bike Safety and Injury Prevention Symposium includes all sessions, morning tea and lunch, as well as the full conference handbook and electronic abstracts book.

TO REGISTER

To register, visit the conference website www.injuryprevention2015.com and complete the online registration form.
